

YEAH, IT'S SUPPOSED TO BE A SECRECY VACATION, BUT THIS CROWD...

THE PEOPLE AND PAPARAZZI WHO HEARD THE RUMORS ALL CAME AND ARE CAUSING THE AIRPORT TROUBLE.

WHAT ASTOUNDING POPULARITY... MISS ADRIENNE.

THIS IS PROBABLY LAST FOR DRESSING FOR A WHILE. IF ANOTHER GROUP DOESN'T PUT THE BR... IT'S ON DRESSING AND LAST MAY HAVE TO TRAVEL.

SHE'S AT THE TOP OF THE ENTERTAINMENT INDUSTRY AND IS REVERED AS THE "EMPEROR".

SHE'S BEEN IN THE "TOP 100 INFLUENT PEOPLE" LIST FOR 10 STRAIGHT YEARS.

But before that,

We agreed it. We should proceed to the hotel...

Minori Urakawa
is staying at.

I'd like to know
which hotel

「Moooo it is amazing... amazing... this start up PPT up. All he says about is Baka, which I understand, that's the whole look of this magazine, but it got too much for me. Apologies for not finishing this little mini-one. And there's only one chapter left in Baka... but I'll just write here... (at this address) QW... Baka...」
Remember, there won't be another Baka! AGE release for now until December and there's not even certain yet, it's hard whether Baka has time or not. Or hopefully another group picks up the project and then we won't have to wait -BUT But here for awhile, I would cover any AGE49, when I'm confident enough after translating Baka to Anime and Baka's new Japanese version while studying in JP this year, I'll be back -BUT Bye!
